

Dynamometers

Designed to deliver reproducible results time after time

Perfect for general weighing, force experiments, action-reaction demonstrations, and much more. Grades 5-12 (Ages 11 and up)

Pull Type Spring Scales

Grams & Ounces

| | |
|-----------------------|----------------|
| 250g × 10g, 9oz × ¼oz | Item # 8001-MA |
|-----------------------|----------------|

| | |
|------------------------|----------------|
| 500g × 20g, 18oz × ½oz | Item # 8002-MA |
|------------------------|----------------|

| | |
|-------------------------|----------------|
| 2000g × 50g, 72oz × 2oz | Item # 8004-MA |
|-------------------------|----------------|

| | |
|-----------|----------------|
| 100g × 1g | Item # 8261-M0 |
|-----------|----------------|

| | |
|-----------|----------------|
| 200g × 2g | Item # 8262-M0 |
|-----------|----------------|

| | |
|-----------|----------------|
| 500g × 5g | Item # 8263-M0 |
|-----------|----------------|

| | |
|-------------|----------------|
| 1000g × 10g | Item # 8264-M0 |
|-------------|----------------|

| | |
|-------------|----------------|
| 2000g × 20g | Item # 8265-M0 |
|-------------|----------------|

Grams & Newtons

| | |
|---------------------------|----------------|
| 250g × 10g, & 2.5N × 0.1N | Item # 8001-MN |
|---------------------------|----------------|

| | |
|-------------------------|----------------|
| 500g × 20g, & 5N × 0.2N | Item # 8002-MN |
|-------------------------|----------------|

| | |
|----------------------------|----------------|
| 1000g × 50g, & 10N × 0.25N | Item # 8003-MN |
|----------------------------|----------------|

| | |
|----------------------------|----------------|
| 2000g × 100g, & 20N × 0.5N | Item # 8004-MN |
|----------------------------|----------------|

| | |
|--------------------------|----------------|
| 5000g × 100g, & 50N × 1N | Item # 8008-MN |
|--------------------------|----------------|

Pounds & Newtons

| | |
|-----------------------------|----------------|
| .56lb × 0.02lb, 2.5N × 0.1N | Item # 8001-PN |
|-----------------------------|----------------|

| | |
|----------------------------|----------------|
| 1.12lb × 0.04lb, 5N × 0.2N | Item # 8002-PN |
|----------------------------|----------------|

| | |
|------------------------------|----------------|
| 2.25lb × 0.05lb, 10N × 0.25N | Item # 8003-PN |
|------------------------------|----------------|

| | |
|-------------------------|----------------|
| 4.5lb × 1lb, 20N × 0.5N | Item # 8004-PN |
|-------------------------|----------------|

| | |
|----------------------------|----------------|
| 11.25lb × 0.25lb, 50N × 1N | Item # 8008-PN |
|----------------------------|----------------|

Dial Type Spring Scales

Grams & Ounces

| | |
|----------------------|----------------|
| 250g × 2g, 9oz × ¼oz | Item # 8011-MA |
|----------------------|----------------|

| | |
|-----------------------|----------------|
| 500g × 5g, 18oz × ½oz | Item # 8012-MA |
|-----------------------|----------------|

| | |
|-------------------------|----------------|
| 2000g × 20g, 72oz × 1oz | Item # 8014-MA |
|-------------------------|----------------|

Grams & Newtons

| | |
|---------------------------|----------------|
| 250g × 2g, & 2.5N × 0.02N | Item # 8011-MN |
|---------------------------|----------------|

| | |
|-------------------------|----------------|
| 500g × 5g, & 5N × 0.05N | Item # 8012-MN |
|-------------------------|----------------|

| | |
|---------------------------|----------------|
| 1000g × 10g, & 10N × 0.1N | Item # 8013-MN |
|---------------------------|----------------|

| | |
|---------------------------|----------------|
| 2000g × 20g, & 20N × 0.2N | Item # 8014-MN |
|---------------------------|----------------|

Large Demonstration Dials

| | |
|-------------------------------|----------------|
| Demonstration Dial 20hg × ½hg | Item # 8015-00 |
|-------------------------------|----------------|

| | |
|-----------------------------|----------------|
| Demonstration Dial 20N × ½N | Item # 8016-00 |
|-----------------------------|----------------|

| | |
|-----------------------------|----------------|
| Demonstration Dial 50N × 2N | Item # 8018-50 |
|-----------------------------|----------------|
